## Another Successful DJ-Athon

We just finished our biggest biannual fundraiser of the year, DJ-Athon! During this event, we had live DJ's on May 4th inside our booth for 24 hours straight. As KCSU's lone fundraiser each semester, this event is important to us! We thank all of you for your generous support. Because of you, we raised a grand total of \$2,021. Thank you so much for your continued support for our student-run radio station!

## Black River Revue In-Studio

We have had so many great in-studio performances this past semester. We'd just like to say a giant thank you to everyone that has come into our little studio! We hope to work with more bands in the coming future.

## Live Commentating of CSU Baseball

Our sports directors Bryan Buck and Nick Baker traveled to Kearny, Neb. to call the Mid-American Regional Tournament. Colorado State faced tough opponents [Nebraska](#) and [Iowa State](#). Thankfully, our sports directors could cover everything, up until Colorado State's early exit from the tournament.
