Local Politics

The primaries in June were making a buzz even at KCSU! Candidates like [Doug Robinson](#) and [Mike Johnston](#) were interviewed by KCSU volunteers and were re-aired on-air the day of the primaries. These interviews showcased the platforms and ideas that were most important to the potential nominees. Let us know if you want to hear more interviews like those ones on our airwaves by leaving your thoughts at 970-491-5278 for any news related ideas!

Community DJ's

We had a ton of people come out this summer and join us in our booth. Thank you so much for wanting to be apart of our KCSU family. We absolutely cannot wait to do this all again next summer! Whether you're volunteering, DJ-ing, listening, or doing all of the above, we appreciate you. There is no way we could be doing all of this without your continuous support!

Motet on the Mesa

This music festival features the Colorado Funk band, the Motet and other bands like Break Science, SunSquabi and more.
